Donald R. Bransford, President  
Sandy Willard Denn, Vice President  
Peter D. Knight  
John P. Sutton  
Bruce Rolan  
  
GENERAL MANAGER  
Thaddeus L. Bettner, P.E.

July 29, 2015

Dear Interested Stakeholder:

The Glenn-Colusa Irrigation District (GCID) Board of Directors will conduct a Public Hearing on August 20, 2015 at 9:30 a.m. or as soon thereafter as may be heard, at the GCID Boardroom, 344 East Laurel Street, Willows, California. The purpose of the hearing is to consider whether to become a Groundwater Sustainability Agency under the Sustainable Groundwater Management Act of 2014 (SGMA) for the portions of Colusa subbasin and Corning subbasin of the Sacramento Valley groundwater basin, as depicted by Department of Water Resources Bulletin 118, that are within the boundaries of GCID.

The proposed resolution and supporting documentation will be available on the GCID website at [www.gcid.net](http://www.gcid.net).

Written comments should be submitted to GCID to the attention of Thaddeus L. Bettner, General Manager, Post Office Box 150, Willows, California 95988, or by e-mail to [tbettner@gcid.net](mailto:tbettner@gcid.net). Comments should be received no later than 5:00 p.m. on August 19, 2015

During the hearing, the Board of Directors will allow oral comments, and will receive additional written comments prior to the conclusion of the hearing. The Board President may limit oral comments to a reasonable length to allow all attendees to be heard. The Board of Directors may take action to elect to become a Groundwater Sustainability Agency and adopt a resolution stating such immediately at the conclusion of the hearing.

It is intended that all future communications from GCID regarding the SGMA will be distributed via e-mail unless specific requests are made in writing and mailed to Thaddeus L. Bettner at Post Office Box 150, Willows, California 95988.

Sincerely,

A handwritten signature in black ink that reads 'Thaddeus L. Bettner'.

Thaddeus L. Bettner  
General Manager
