

GLENN-COLUSA IRRIGATION DISTRICT

Appoints New Division 5 Director

At the February 20, 2025, Glenn-Colusa Irrigation District (GCID) Board of Directors meeting, Division 5 Director Blake Vann submitted his letter of resignation. Government Code section §1780 provides the process required to fill a board vacancy by appointment or election. At the March 6, 2025 meeting, the Board voted to fill the vacancy by appointment.

At the April 3, 2025, Board meeting, after receiving only one letter of interest from landowners within Division 5, the Board voted to appoint Kelly Ornbaun to serve as Division 5 Director for the remainder of the vacant term - through December 5, 2025.

Kelly Ornbaun is a third-generation farmer from Colusa County. He and his wife of 37 years, live and farm together in the Williams area. Kelly and Johnna have two children, both of whom are married, and two adorable grandchildren. He began his farming endeavors in 1980 in GCID growing wheat, corn, row crops and rice. He has been a landowner in Division 5 of GCID for nearly 30 years farming rice and almonds.

Kelly has been attending GCID Board meetings regularly over the past year to learn, observe, and to help GCID and fellow landowners in the best way possible. He looks forward to his recent appointment and serving the landowners and water users of GCID. Congratulations and welcome Director Ornbaun!
